(2) Prior to or on commencement of employment, the Covered Employee

may request that the Employer modify the projected days and hours of work provided under Subsection (a)(1) of this section. The Employer shall consider any such request, and in its sole discretion may accept or reject the request, provided that the Employer shall notify the Covered Employee of Employer's determination in writing within three days of the request.

An oral or written request shall be sufficient and implemented immediately and is sufficient until the Covered Employee gives written permission to post the Covered Employee's schedule. An Employer may request a written statement from the Covered Employee that states that the Covered Employee is, or has a family or household member who is, a victim of Domestic Violence or Sexual Violence. The written statement shall constitute the documentation needed for the Employer to implement the request. The Employer may not require a written statement more than once in a calendar year from any Covered Employee for this purpose.

 - (C) with more than 24 hours' notice, cancels or subtracts hours from a regular or on-call shift.
- (2) No less than 50% of the Covered Employee's regular rate of pay for any scheduled hours the Covered Employee does not work because the Employer, with less than 24 hours' notice subtracts hours from a regular or on-call shift or cancels a regular or on-call shift, including while the Covered Employee is working on a shift.

(c) The Employer shall amend the posted Work Schedule and transmit it to the Covered Employee in writing within 24 hours of a schedule change.

(7) When, in Manufacturing, events outside of the control of the manufacturer result in a change in the need for Covered Employees, including, but not limited to, when a customer requests the manufacturer to delay production or there is a delay in the receipt of raw materials or component parts needed for production.

(8) With regard to Healthcare Employers, in (i) any declared national, State, or municipal disaster or other catastrophic event, or any implementation of an Employer's disaster plan, or incident causing a hospital to activate its Emergency Operations Plan, that will substantially affect or increase the need for healthcare services; (ii) any circumstance in which patient care needs require specialized skills through the completion of a procedure; or (iii) any unexpected substantial increase in demand for healthcare due to large public events, severe weather, violence, or other circumstances beyond the Employer's control.

(9) A Ticketed Event is cancelled, scheduled, rescheduled, postponed, delayed, increases in expected attendance by 20% or more, or increases in duration, due to circumstances that are outside the Employer's control. (a) Subject to the limitations in this Chapter, when an Employer needs to fill additional shifts of work, the Employer shall first offer additional shifts of work to existing Covered Employees if the Covered Employees are qualified to do the additional work, as determined by the Employer. If offered shifts are not accepted by Covered Employees, the shifts shall be offered to temporary or seasonal workers who have worked on behalf of the Employer for two or more weeks.

(b) An Employer shall distribute additional shifts in compliance with Subsection (a), provided that:

(1) the Employer's system for distribution of hours must not discriminate on the basis of race, color, creed, religion, ancestry, national origin, sex, sexual orientation, gender identity or expression, disability, age, or marital or familial status;

(2) whenever practicable, the Employer shall first offer those hours to part-time Covered Employees.

(c) This section shall not be construed to require any employer to schedule employees to work hours required to be paid at a premium rate.

1-25-070 Right to Rest.

(a) A Covered Employee has the right to decline Work Schedule hours that are less than 10 hours after the end of the previous day's shift.

(b) When a Covered Employee works a shift that begins less than 10 hours after the end of the previous day's shift, the Employer shall pay the Covered Employee at a rate of 1.25 times the Covered Employee's regular rate of pay for that shift.

1-25-080 Right to Request a Flexible Working Arrangement.

A Covered Employee has the right to request a modified Work Schedule, including, but not limited to, additional shifts or hours; changes in days of work; changes in shift start and end times; permission to exchange shifts with other employees; limitations on availability; part-time employment; job sharing arrangements; reduction or change in work duties; or part-year employment.

For purposes of this Section, prohibited adverse actions include, but are not limited to, termination, denial of promotion, negative evaluations, punitive schedule changes, punitive decreases in the desirability of work assignments, and other acts of harassment shown to be linked to such exercise of rights.
